

## Call for Abstracts

# 5<sup>th</sup> International Congress APN & ANP

## ‘New Generation: ADVANCED PRACTICE NURSE 2.0’

**5<sup>TH</sup> & 6<sup>TH</sup> SEPTEMBER 2019**

**AT UNIVERSITY OF APPLIED SCIENCES, FRANKFURT AM MAIN, GERMANY.**

The International APN & ANP Congress of the German Network will be held in **Frankfurt am Main (Germany)** on **5<sup>th</sup> and 6<sup>th</sup> September 2019**.

The inspiration for the development of clinical career pathways for nurses in German-speaking countries followed the international establishments of Advanced Practice Nurses and Advanced Nursing Practice (Phase 1.0 – model phase). In the second phase (Advanced Practice Nurse 2.0), the focus is on (re-)orientation, development and establishment of APN & ANP fields of practice and roles, task distribution and the development of corresponding practice frameworks.

We cordially invite practitioners, educators, researchers and other interested persons to submit abstracts in German and English language for this bilingual congress. Help us in shaping an exciting and stimulating programme!

**Abstracts** of up to 1000 words (approx. 7000 characters) can be submitted until **28<sup>th</sup> Feb. 2019** at <http://www.dnapn.de/kongresse/5-internationaler-apn-anp-kongress-new-generation-advanced-practice-nurse-2-0/call-for-abstract/>

or via email: [kongress@dnapn.de](mailto:kongress@dnapn.de) – Please include the following information: title, surname, first name, institution, position, contact email and postal address.

*We are looking forward to your abstracts and your active participation!*

## ***Call for Applications for the Innovation Award APN Phenomenon***

***The German Network Advanced Practice Nursing & Advanced Nursing Practice g.e.V. calls for applications for the APN Innovation Award Phenomenon for outstanding achievements.***

### **Information about Innovation Award APN Phenomenon 2018-2019**

The delivery of outstanding advanced nursing care within the clinical environment deserves special attention and public recognition. Advanced Nursing Practice focuses on the requirements and needs of patients, clients or at-risk groups, offers innovative ways in practice development and ensures the development of patient-centred, high quality care delivery.

The **German Network Advanced Practice Nursing and Advanced Nursing Practice g.e.V.** (DNAPN) awards the APN Innovation Award for outstanding achievements in the following three categories:

1. APN concepts in the German-speaking countries,
2. ANP fields of action or APNs roles in German-speaking countries
3. International APN concepts, ANP scope of practice or APNs roles in non-German speaking countries.

The award money encompasses 3 x 300 euros.

Award recipients are expected to present their work to the scientific community during the 5th International Congress of Advanced Practice Nursing (APN) & Advanced Nursing Practice (ANP) in Frankfurt on the 5<sup>th</sup> and 6<sup>th</sup> September 2019.

The selection process happens in two steps.

### **Step 1: Submit an abstract**

The abstract must be submitted by email to [award@dnapn.de](mailto:award@dnapn.de) . The abstract should be anonymised and blinded. It should contain a maximum of 1000 words (7000 characters including spaces).

**The deadline for entries is 26.2.2019.**

Please note that your abstract:

- contains no tables and graphics.
  - is sent as a Word document.
  - is anonymised and does not contain any names, city names or country-specific job titles.
1. Abstracts on APN concepts in German-speaking countries should include the following criteria:  
Introduction, Objective, Setting, Participants, Methodology, Results, Summary or Conclusion.
  2. Abstracts on ANP Fields of Action or APNs roles in German-speaking countries should include the following criteria:  
Introduction, objectives, overview, attitude, description of the role, recommendation and conclusion.
  3. Abstracts on APN concepts, ANP fields of action or APNs roles in non-German speaking countries can contain both formats (1. APN concepts or 2. ANP action fields or APNs roles).

From the anonymized abstract the Scientific Advisory Board of DN APN & ANP g.e.V. performs a criteria-led selection. The authors will be informed at the end of March 2019, if the abstract has be pre-selected.

### **Step 2: Submit the entire version**

If your abstract has been pre-selected from the scientific advisory board, you will be informed by email and asked to submit an expanded version of your work (about 20-25 pages), also in an anonymised and blinded form.

From these entire versions, the scientific advisory board selects three works that will receive the innovation award Phenomenon. The winners will be announced on the second day (06<sup>th</sup> of September 2019) of the 5<sup>th</sup> International Congress of APN & ANP.

### **Selection criteria**

- Innovation and autonomy in the development of highly qualified advanced nursing practice
  - What is new?
  - What effects on the health and quality of life of patients, clients or at-risk groups are identifiable?
  - What impact does it have on (advanced) nursing practice?
- Observance of scientific standards

*Thank you very much for your interest in submitting an abstract.*

*We are looking forward to receiving them.*

*Should you have any queries, please do not hesitate to contact us.*

**Your board and scientific advisory board of the German network APN & ANP g.e.V.**
